The forfeited leave may be restored however, provided it was: scheduled and approved in writing at least three pay periods prior to the end of the leave year; and use of the leave was prevented by either an exigency of public service, sickness or due to administrative error.

In addition, the Office of Personnel Management issued final regulations that provide that excess annual leave forfeited by employees who are unable to schedule and use their leave as a result of Y2K computer conversion efforts. Leave restored under the Y2K exigency must be used by the end of the 2002-leave year. Call CPAC Personnel Management Specialist Casey Chapman, 421-2372/civ. 0711-729-2372 for details.

Financial assistance is awarded up to half the cost of tuition per term based on relative financial need. The maximum amount of assistance allowed per academic year is \$1,750. For application details and further information call the Army Education Center, 431-2506/civ. 07031-15-506.

Laser Pointers Not Allowed in Schools

Although laser pointers/pens are great when used in a presentation, they are not to be brought or used at DoDDS schools. Parents and students are reminded that this item is a dangerous item and could be considered as a weapon if used improperly. The minimum penalty for students is suspension, which could result in expulsion from school if recommended by the school disciplinary committee. Help keep schools a safe place for student and staff alike.

Participate in December Campaign

As part of the national Drinking and Drugged Driving Campaign, all 6th ASG community members are encouraged to turn on their headlights Dec. 13 throughout the day in show of support. In addition, informational materials will be distributed throughout the day.

No campaign can take the place of a public vigil, so be aware of the risks out there this season. Don't fall victim to the dangers.

Those who choose to not change their number can continue to pick up their mail during service window hours only. Their mail will not automatically be returned to sender.

Youth Get Chance at Scholarship

The commissary is saluting military families this month – so can community members. Save money while helping to send a deserving son or daughter to college just by shopping!

Sons or daughters of Army, Navy, Marines, Air Force and Coast Guard service members can receive a scholarship commitment of \$4,500 from the Cdr. William S. Stuhr Scholarship Fund. And much of it is courtesy of donations from companies that supply products to the commissaries.

The scholarship promotion offers commissary customers exceptionally low prices and high value coupons on name brand products, and each participating manufacturer will donate 25 cents per case to the Stuhr Scholarship Fund. The promotion runs through the end of November.

Applications for the scholarship are available for the sons and daughters of career or active duty military families. Completed applications must be received by the end of February. The students must be high school seniors, be in the top ten percent of their class and show evidence of leadership and community involvement. They should be planning to attend a four-year school. Finalists, one each from the Army, Navy, Marines, Air Force and Coast Guard, are screened by the public affairs offices of those organizations.

Applications can be obtained by enclosing a self-addressed envelope to the Executive Director, CDR Stuhr Scholarship Fund, 1200 Fifth Avenue, Suite 9-D, New York, New York, 10029.
